

7 Up Biscuits

You need to prepare this recipe :

First you need 4 cups Bisquick
And one cup sour cream
one cup 7-up
Finally 1/2 cup melted butter

Instructions :

The first step to prepare this sooo simple, quick, and good recipe is to melt butter then you need to place in a baking pan . After all that now cut sour cream into the Bisquick and after that add 7-UP

Second step : Now after all that , and in this step you need to mix in & dump on a well floured surface (i prefer parchment paper).Then i pat out simply using my hand.

Step 3: Finally step , so now flour your cutter each time before cutting your biscuits. one time you cut the biscuits add to your pan with the butter,finally you need to bake 425 degrees F till golden brown .Serve and enjoy!!!
